

# PumpPilot AI — Wallet Threat Report

Spot momentum. Control risk. Trade smarter. · DEMO / MOCK DATA

## Scan summary

|                     |                                                       |
|---------------------|-------------------------------------------------------|
| Scan correlation ID | WSC-MS33FTQA-VI5SA1                                   |
| Wallet address      | 0xDEMO000000000000000000000000000000a1b2              |
| Scanned at          | 7/27/2026, 10:38:11 AM (UTC 2026-07-27T10:38:11.266Z) |
| Report generated at | 7/27/2026, 10:38:11 AM (UTC 2026-07-27T10:38:11.280Z) |
| Approvals reviewed  | 6                                                     |
| Findings flagged    | 4                                                     |
| Highest severity    | CRITICAL                                              |
| Total value at risk | \$28,410                                              |

## Findings

### 1. CRITICAL — USDC !' Unverified contract

Finding correlation ID: WSC-MS33FTQA-VI5SA1-F01

Spender: 0xDEMO0000dRa1nerCOntract000000000000000001 (0xDEMO00...0001)

Approved at: 7/25/2026, 10:38:11 AM (UTC 2026-07-25T10:38:11.266Z) · Allowance: UNLIMITED · Value at risk: \$12,480

- Known wallet-drainer contract seen in fake-airdrop campaigns (demo entry)
- Unlimited spend approval — this address can move your entire balance of this token at any time.

Matched rules: phishing-address-list, unlimited-allowance

### 2. CRITICAL — DEMOCAT !' "PumpPilot Airdrop Claim"

Finding correlation ID: WSC-MS33FTQA-VI5SA1-F02

Spender: 0xDEMO0000pHishSpender00000000000000000002 (0xDEMO00...0002)

Approved at: 7/27/2026, 1:38:11 AM (UTC 2026-07-27T01:38:11.266Z) · Allowance: UNLIMITED · Value at risk: \$3,120

- Spender linked to a PumpPilot AI impersonation site (demo entry)
- Unlimited spend approval — this address can move your entire balance of this token at any time.

Matched rules: phishing-address-list, unlimited-allowance

### 3. HIGH — WETH !' Contract deployed 6h ago

Finding correlation ID: WSC-MS33FTQA-VI5SA1-F03

Spender: 0xDEMO00009fReshDeploy00000000000000000004 (0xDEMO00...0004)

Approved at: 7/27/2026, 4:38:11 AM (UTC 2026-07-27T04:38:11.266Z) · Allowance: UNLIMITED · Value at risk: \$8,600

- Unlimited spend approval — this address can move your entire balance of this token at any time.
- Spender contract is less than 24h old — a classic drainer pattern after a phishing signature request.

Matched rules: unlimited-allowance, fresh-contract

4. CRITICAL — DEMOCAT !' "PumpPilot Reward Claim" (new)

Finding correlation ID: WSC-MS33FTQA-VI5SA1-F06  
Spender: 0xDEmo0000pHishSpender00000000000000000002 (0xDEmo00...0002)  
Approved at: 7/27/2026, 10:08:11 AM (UTC 2026-07-27T10:08:11.266Z) · Allowance: UNLIMITED · Value at risk: \$4,210

- Spender linked to a PumpPilot AI impersonation site (demo entry)
- Unlimited spend approval — this address can move your entire balance of this token at any time.

Matched rules: phishing-address-list, unlimited-allowance

Important

This report is generated from simulated (demo) approval data for the PumpPilot AI demo build. Revoking inside the app is simulated and signs nothing. PumpPilot AI never asks for and never stores seed phrases or private keys. Signals and predictions elsewhere in the app are probabilistic — returns are not guaranteed and you can lose all capital.
